

# PILOT TWENTY

Holby Marine has been building boats for more than 20 years. "Quality yachts built with integrity" is the motto of Holby Marine Company. The Pilot 20 is a true representation of this motto, from the top down the Pilot 20 embodies quality. Built in the heart of Rhode Island deep boat building heritage Bristol, the Pilot 20 continues the legacy of past generations. Built like every yacht at Holby Marine Company the Pilot 20 is crafted from the best in modern technology, yet still maintaining the traditional look you would expect from a downeast boat. The craftsmen at Holby Marine Company are truly artists in their own way, paying attention to every detail and building a boat that not only you are proud to own but we are proud to build. However, the Pilot 20 is not just something nice to look at she is a true performer. She was designed by award winning designer Mark Ellis, whom has been designing all types of vessels for over 40 years. Mark has designed a hull that is extremely stable and quick to plane. The hull is also designed to handle the heaviest of chop and maintain a smooth and comfortable ride, that inspires confidence. From initial design to finished product the Pilot 20 is built to the highest standards and quality to provide you with a vessel that you can enjoy for years to come. Overall, classic head-turning good looks and unmatched quality are what sets the Pilot 20 in a class all her own.

## QUALITY YACHTS ...

The Pilot 20 is offered in two different styles, the Pilot 20 Center Console and the Pilot 20 Cuddy. The Pilot 20 Center Console is the perfect vessel for those of you looking for a multi purpose vessel. A good open boat to spend a day cruising, but also a superior fishing platform.
